Thank you for reading the documentation of Parking4TheWin. This README file will provide a quick guide to the locations of all documents, and a recommended order for reading them.

1. The following is the tree representation of the documents directory.

```
Documentation (home directory)
|
| — "README.pdf"
| — "Software Requirements Specification (SRS) for Parking4TheWin.pdf"
| — "Test Cases.pdf"
|
| — User Manuals
    |
    | — "User Manual (Drivers).pdf"
    | — "User Manual (Corporate).pdf"
    \ — \
|
| — Diagrams
    |
    | — "Use Case Diagram.jpg"
    | — "System Architecture.png"
    |
    | — Class Diagrams
        |
        | — "frontend.png"
        | — "backend.png"
        \ — \
    |
    | — Sequence Diagrams
        |
        | — "%. {System Feature}.jpg" *
        | — ***
        \ — \
    \ — \
\ — \
```

Note: *"%. {System Feature}.jpg"* * represents all files of the same naming convention. *"%"* refers to a numeric representation of the System Feature as specified in the SRS. *"{System Feature}"* is the name of the system feature. *"***"* represents the multiple numbers of files with the same naming convention. There is no limit to the number as the software is continuously developed, upgraded and improved.

2. Recommended Access Guide
If you are a driver, please refer to "User Manual (Drivers).pdf".
If you are a corporate employee, please refer to "User Manual (Corporate).pdf".

Alternatively, drivers and corporate employees may refer to the SRS, Section 1.3 for further details and/or reading guides.

If you are a developer, please refer to the SRS, Section 1.3 for a comprehensive reading guide.
